

Afinia L-301 Label Printer

The Afinia Label L301, full colour label printer is perfect for small and growing businesses.

In-house, on-demand label printing allows the flexibility that growing brands need to thrive. Change your labels as-needed to accommodate branding, ingredient, or government regulation changes.

Powered by time-tested HP thermal inkjet printing technology, the L301 can go to work for just about any label application. Just plug it in to your computer, install the included software, and you are ready to print labels from Windows, using your existing design software, or from a pdf.
