

# Afinia L-501 Label Printer

The Afinia Label L501, full colour label printer is perfect for small and growing businesses needing durable labels on demand.

In-house label printing allows the flexibility that growing brands need to thrive. Change your labels as-needed to accommodate branding, ingredient, or government regulation changes.

Powered by HP DuraPrime Duo Ink Technology, the L501 can print using both Pigment and Dye based ink.

Pigment inks offer resistance to moisture, abrasion, sun-fading and extreme temperature.
